

**Visit of Worthy Commissioner Secretary, Higher Education
Department**

Talat Parvez Rohella Worthy Commissioner Secretary Higher Education Department today visited Government Degree College R S Pura alongwith nodal Principal and senior officers of Higher Education Department for inspecting ongoing work being executed by PWD R&B in the college campus.

XeN Parvez Malik appraised the ongoing work on the spot in detail for the construction of triple storey building which includes six class rooms, four laboratories and one multipurpose hall besides canteen building and Watchman (Chowkidaar) Quarter. SDM R S Pura Ram Lal was also present on the site.

Principal Dr Sunita Sudan welcomed commissioner secretary along with her staff members. Dr Sudan requested for the prefabricated structure on the existing building to meet the needs of the new demanding subjects such as Commerce,

OFFICE OF THE PRINCIPAL GOVT DEGREE COLLEGE R S PURA

Music and Electronics. She expressed the dire need of these subjects for the students of this locality/area at under graduate level.

Worthy Commissioner Secretary Higher Education Department listened patiently to every request and assured her to move ahead to lead college to its peak. He interacted with various professors of the college and suggested them to stress on co curricular activities to make this college a signature college for specific activities. He also supported the vision of skill activities and courses like instrumentation skill, agro culturing , apiculture etc. He emphasized for the promotion of sports activities in which college has progressed a lot in the recent years. He planted Araucaria tree in front of Physics –Chemistry Department too.

Principal Dr Sunita Sudan thanked the commissioner secretary for the visit and positive assurance for the up-gradation of the college besides motivational guidance to the faculty.
